Cancer Resources helps almost 1 in 5 Elkhart County area cancer patients, people like:

Chris Williams' throat cancer was diagnosed early, and he greatly appreciated CR's planning process.

Maria Mitchell's bone cancer was pushing on her brain. After surgery failed, radiation has made her cancer free for three year!

Melissa Renner was interested in CR's yoga classes to help her cope with her breast cancer diagnosis. As a deacon in her church, she relies on her faith for strength as well.
